About Us

Golden Ship is a shipping agency established in year 2022 in Beirut, Lebanon that have a sister company that has been operation since 1999 providing experience and expertise in the shipping industry. Our agency has since grown with passion and love for the work we do. Our team provide marine transportation services in many countries with high quality container shipping services, unique service for transportation shipping, reliable fix day sailings and fast transit.

Introducing our expertise as container agents, we stand as a beacon of proficiency in navigating the intricate landscape of container shipping. With years of specialized knowledge and hands-on experience, we've honed our skills to perfection, adeptly guiding clients through the complexities of container logistics. As seasoned experts, we understand the nuances of container handling, from selecting the optimal size and type to orchestrating seamless transitions between modes of transportation. Our commitment to excellence drives us to stay ahead of industry trends, ensuring that our clients benefit from cutting-edge solutions and unmatched efficiency. Trust in our expertise as container agents, and embark on a journey of seamless shipping solutions tailored to your unique needs

What we do?

We proudly combine the expertise of a premier maritime agency with the operational capabilities of a vessel operator.

Our integrated approach allows us to offer comprehensive solutions tailored to the unique requirements of the maritime industry, encompassing agency services, vessel management, and logistics support.
